

TekkieBots™

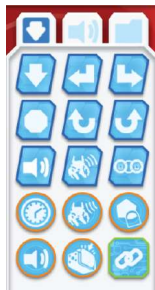

Build, code, learn and play with
your own intelligent robot!

Thursdays from 3:35 PM to 4:35 PM (10 weeks)
December 13, 2018 to February 28, 2019

In **TekkieBots™**, children get hands-on experience with a robot's mechanical and electronic systems while they build their own technologically advanced robot. They learn programming logic while interacting with their robot by voice, push buttons, and free programming software for PC or Mac.

Talk to your robot,
watch it dance,
or create your own
music and cool
sound effects
with DJ mode!

**Build and take home your own robot
with free software for PC or Mac!**
