

My Cool Robot™

Individualized robotics design and building!

For new and continuing students in grades K - 3

Tuesdays from 3:00 PM to 3:45 PM (8 weeks)
September 18, 2018 to November 6, 2018

In **My Cool Robot™**, every child learns from and takes home their own Explore-A-Bot® robotics set from 21st Century Kids! This session is all about remote-controlled robots! Themed, kid-friendly projects get children started using our advanced building system, until they are ready to design, build, and test their very own amazing creations!

Learn about engineering and technology with your very own 21st Century Kids robotics set!
