

Dino Bots™

Designed for children in grades K - 6

Thursdays from 3:30 PM to 4:30 PM (8 weeks)
April 11, 2019 to June 6, 2019

Dino Bots™ offers children opportunity to learn about robotics while exploring the world of dinosaurs and paleontology!

While creating and building dinosaur models and creature-themed robots, children are encouraged to learn about dinosaurs and develop stories about them.

Bring your favorite dinosaurs to life and recreate the world they lived in! Work alone and with friends! Join us after school for Dino Bots, where the future meets the prehistoric past!

Take home your own robotics set with free bonus dinosaurs!
