

# Brick Racers 2

Designed for students in grades K - 3

Wednesdays from 3:00 PM to 3:45 PM (8 weeks)  
January 16, 2019 to March 6, 2019

In **Brick Racers™**, children design, build, and test remote-controlled wireless racers! They participate in design and building projects, individual and team races, obstacle courses, push and pull challenges, and a variety of brick racing fun!

To prepare for the various races and challenges, children can modify their brick racers for better stability, improved handling, or to create a new type of vehicle!

Build and take home your own remote-controlled brick racer!

Immaculate  
Conception

**\$199**

Space is limited.
