

Brick Racers™

Jeep Challenge

Designed for students in grades K - 3

Wednesdays from 3:00 PM to 3:45 PM (8 weeks)
April 3, 2019 to May 29, 2019

In Brick Racers™, children design, build, and experiment with remote-controlled wireless racers! They participate in individual and team-based design engineering projects that focus on optimizing their vehicle's performance while meeting various objectives.

Themed race tracks and obstacle courses provide opportunity to test racers and improve driving skills. This session: The Jeep Challenge!

Build, test, and take home your own remote-controlled brick racer!

Who will win the Jeep Challenge?
The top-scoring team takes home the trophy!

Brick Racers technology is compatible with most major brands of building blocks!
Create your own vehicles!

Immaculate
Conception

\$199

Space is limited.
